Permitting & Assistance Branch

Request Date: November 29, 2010

Decision Subject: Concurrence on Proposed Modified Full Solid Waste Facilities Permit for Teapot Dome DS, SWIS No. 54-AA-0004

Action By: December 19, 2010

Summary of Request: This is a request that the Branch Chief take action on a proposed Solid Waste Facilities Permit for the Teapot Dome DS, SWIS No. 54-AA-0004, located in Tulare County. Staff's findings and recommendations are provided relative to the proposed action.

The more recent version of the proposed permit was received on October 20, 2010. Action must be taken on this proposed permit no later than December 19, 2010. If no action is taken by December 19, 2010, the Department will be deemed to have concurred with the issuance of the proposed permit.

Recommendation: Based on our review of the submitted permit package, staff recommends the Branch Chief concur with the issuance of the permit. All of the required submittals and findings required by Title 27, Section 21685 have been made and the required CEQA findings have been made in support of concurrence. These findings are summarized in the table found in the Permitting & Assistance Branch Staff Report attachment. The documents on which staff's findings are based are in the facility files. Details on the findings are presented in more detail in the attached Staff Report.

Branch Chief Action:

On the basis of the information and analysis in this Request for Action and the findings set out in the Department staff report, I concur in the issuance of the Modified Full Solid Waste Facilities Permit for Teapot Dome DS as proposed.
